

MIAMI EAST ALUMNI HALL OF FAME

PURPOSE: To bring recognition to Miami East High School graduates (and previous Miami East School names) who have made significant contributions to society by vocation, avocation, philanthropy, deed, or other endeavor, either planned or unplanned.

PHILOSOPHY: Our heritage often affects us in direct and indirect ways, both at the conscious and unconscious levels. As we go through life we plan and complete many activities. Significant outstanding activities or efforts should be rewarded with appropriate recognition. It is with these thoughts in our minds that the Miami East School District and the Miami East Alumni Association want to begin and maintain an organization which will recognize significant activities that have been achieved by our former graduates.

COMMITTEE: A committee will choose graduates for induction into the Miami East Alumni Hall of Fame and evaluate and revise the procedures for the recognition of candidates. A committee of at least 10 members shall be maintained. These members will be selected by the Superintendent of Schools in the following ratio: the present superintendent, a secondary school principal, an elementary principal, a counselor, a teacher, an alumni member, an alumni association officer, a student officer/president of class or student government officer (who will be selected by principals), a board member, and a community member.

The committee should be re-designated by the superintendent each year. The first committee was formed in January of 1992.

The committee will be responsible for determining the persons who are selected as inductees into the Hall of Fame. They shall also be responsible for planning the induction ceremony with the alumni association, notifying inductees, determining the type of award to be given, and any other activities deemed necessary to maintain the operation of the Miami East Alumni Hall of Fame.

The superintendent shall obtain needed monies to fund the Hall of Fame. The alumni association shall provide complimentary dinners for the Hall of Fame recipients.

Meritorious Award: Effective in 2009, the Miami East Alumni Hall of Fame Committee created The Meritorious Award to allow, posthumous induction of an alumnus into the Hall of Fame, if the same Hall of Fame selection criteria have been met. This award will be bestowed upon no more than one alumnus per year.

ANNUAL MIAMI EAST ALUMNI HALL OF FAME

Each year nominations for the Miami East Alumni Hall of Fame will be sought from employees of the district, alumni and community members. Nominations should be sent to the superintendent's attention from September through January each year. Nomination results will be publicized through announcements in the school district's various publications each fall, as well as in local newspapers a few months before the scheduled selection. Nomination forms will be available in the superintendent's office each fall. Committee members who were selected by the superintendent prior to the first annual Hall of Fame will be contacted to meet and review the nominated candidates in March.

- B. Outstanding contributions in community and/or government affairs.
