

Why Choose Miami East Schools?

Academics

Miami East has a long history of academic rigor and success. Our students consistently score well on Ohio Achievement Tests, often better than any other school in Miami County. Our Dual Enrollment and our High School Academic Team is one of many opportunities for Miami East students to pursue academic achievement beyond the classroom.

Athletics

Vikings teams have had great success and provide our students with team skills as well as strong character and sportsmanship. Our students have the opportunity to learn, grow, and perform both in the classroom and on the field, course, diamond, track, mat, or court.

Activities

Beyond athletics, Miami East students participate in various musical and service groups. Our high school band and choir have competed at the state level, and our FFA groups have won numerous awards and honors.

Values

At Miami East we value honesty, integrity, kindness, hard work and cooperation. These character traits enable our students to be successful and conscientious members of society. Our students will participate in 'Rachel's Challenge', an anti-bullying program during the 2017-2018 school year.
