

Title I Parent Compact

Dear Parent(s)

Every school, in order to provide the fairest most efficient/effective service to its students, must have guidelines, rules, and high academic standards. Our school is no exception.

Our building handbook, policies, and building procedures are all designed to organize our building in such a way that we can most effectively deliver the best possible instructional program for your child.

This is your school, a reflection of your community and its standards. Student behavior, willingness to learn, self-improve, and parent, student and teacher commitment to the highest quality education for our Miami East children make a statement about all of us and our values!

Title I law requires that schools that receive federal financial support must have a signed compact with parents indicating their support of the school academic program, and building procedures. Please, read the information below and lend your support by signing. Thank You.

Student Agreement

- I will do my best work.
- I will treat others with respect.
- I will follow the rules.

Student Signature _____

Parent Agreement

- I will make sure my child attends school regularly.
- I will review work each week.
- I will cooperate and communicate with the school.
- I will read to my child regularly.
- I have reviewed the building School Handbook. Copies are available in the school office. I will support the rules and guidelines with my child.

Parent Signature _____

Teacher Agreement

- I will provide quality instruction.
- I will provide a safe and caring environment.
- I will communicate progress made.
- I will provide special activities to make learning enjoyable.
