Dear Parent(s)/Guardian(s),

Once we begin homework, a blue folder will be sent home each night with your child. It will have one worksheet of homework to complete and return the next day. This worksheet should be completed independently by your first grader with minimal adult help. Your child is responsible for writing the answers and for putting his/her name on the papers.

Monitoring your child while they complete the worksheet will provide you an ideal opportunity to assess how your child is progressing academically at school. Place the completed work in the homework folder and return to school the next day. Completing the work neatly and correctly and returning the folder on time is an excellent way for your first grader to develop responsibility.

If you have any questions or concerns, please let me know.

Sincerely,

Miss Black
