From the Superintendent
Back to School Organizing Tips
By Aby Garvey

Just like a fresh box of crayons, the new school year is ripe with possibility—the possibility to create something new. Fresh crayons and fresh starts—it’s a wonderful time of year! Take advantage of the clean slate in front of you by bringing some simple organizing strategies into your home, making the transition of back-to-school even more invigorating.

**Establish fresh routines.** What has worked well in your daily routine…and what could use a pick-me-up? If mornings are chaotic, consider taking care of as many daytime preparations as possible the night before. Layout clothes, pack lunches, set out the breakfast dishes and cereal, and pack the backpacks.

Make your new systems kid-friendly so your young helpers can help you get things checked off your to-do list.

**Create a homework station.** If a task is simple to do, it’s more fun to do. Homework is no different. Decide on the best spot in your home to set up homework central. Take into consideration how involved you need to be with homework and your child’s style. Does he focus better with people around or when working on his own? Is he better suited to sit at a table or curled up on the couch with a lap desk? Once you have a place picked out, corral together handy homework tools and supplies into a nearby bin, cabinet or drawer. Stock up on age appropriate supplies such as pens, pencils, erasers, paper, crayons, markers, a ruler, a calculator, a dictionary, basic craft supplies and a pencil sharpener.

**Create a system for school papers.** Designate a convenient spot for items you need to act on or refer back to throughout the school year. Items like classroom rules, schedules, class lists, and teacher contact information will be right at home in the command central binder (and best yet, you’ll know right where these important papers are when you need them.)

**Create a communication hub.** Your communication hub can include a family calendar, colored markers, pens and pencils, and a notepad for taking down phone messages. Consider color coding your family calendar by assigning each family member a color. If you’re a visual person who needs to see things to remember them, consider using a bulletin board for posting messages, invites and your calendar, or take advantage of your built-in magnetic board known as your refrigerator door.

With these simple strategies, staying organized all school year is as certain as a fresh box of crayons on the first day of school.
ONE CALL NOW

The Miami East School District will periodically utilize the One Call Now system to relay information to parents. The alerts will be sent to your home phone number.

If you would like to switch your home phone number to a cell number instead…simply contact Dr. Rappold with that change at trappold@miamieast.k12.oh.us

Even if you updated your phone number last year, please contact Dr. Rappold with any phone number you want listed other than your home number this year. This update must be completed every year. Simply contact Dr. Rappold with that change and the name of your son/daughter at trappold@miamieast.k12.oh.us

Substitute Custodians Needed
Do you want to be a substitute custodian? Fill out an application today in the Miami East Board Office.

Miami East Jr. Diamond Sports-extends a Thank you!

Thank you Troy Foundation for the additional grant we received that allowed us to complete the blacktop path back to the concession stand. Last year, MEJRDS, received a grant from the Troy Foundation and the Miami County Foundation to lay the first phase. These supplementary funds allowed us to extend the path making the fields more accessible for ALL! We look forward to using in the 2020 season!
Miami East Local School District is currently implementing a district wide LED lighting retrofit project that has been designed to provide our students and staff an improved learning environment.

LED lighting and technology was first introduced in 1964 and has numerous associated health, safety, environmental and enhanced learning attributes associated to the technology when compared with our previous fluorescent lighting systems.

You will notice a brighter and more “clean looking” light in your classrooms, hallways and throughout the district over the next several months as these lighting enhancements are implemented. If you have any questions regarding this project, please do not hesitate to contact me directly.

Sincerely,

Dr. Todd Rappold
Superintendent

---

**BENEFITS of LED LIGHTING in the EDUCATIONAL ENVIRONMENT**

**HEALTH**
- Provides steady natural full-spectrum lighting
- Stimulates positive health and behavior
- Eliminates ‘flicker vertigo’ (headache, nausea, and lethargy sometimes caused by fluorescent lighting)
- Eliminates UV radiation

**SAFETY**
- Low heat output
- LED light output better illuminates dim spaces
- Contains no mercury or lead
- The brighter and higher quality light reduces vandalism on school grounds

**EDUCATIONAL**
- Higher test scores
- Increased student motivation
- Improved focus and energy
- Flicker-free performance best suited for special needs classrooms

**ENVIRONMENTAL**
- Lower energy consumption
- Increased performance life
- Decreased maintenance costs
- Lessens wear and tear on heating and cooling systems

Junior High STEM Courses offered

Miami East Junior High begins its third year offering two new elective courses at the Junior High this coming school year. Seventh graders will enroll in Career Connections. This semester course will assist & encourage students to explore various career fields. Additionally, students will review the academic pathways a student might need to pursue one of these many Career Fields.

For the upcoming school year, eighth graders will enroll in a pre-engineering class for 12 weeks. The Junior High will offer this class to students in the increasingly important STEM (Science, Technology, Engineering, Math) area. Students will participate in a project-based learning process, designed to challenge and engage their natural curiosity and imagination.
Come Join the fun with Pack 365!

Interested in joining Cub Scouts?
Pack 365 is open to all boys and girls in grades K-5. Meetings are typically held on Thursdays at St. Patrick’s Church with some family events held on weekends.

**New Member Event:**
Thursday, August 29, 2019
7:00 to 8:00 PM
Duke Park, Shelter One (by the duck pond)
Scouts get to launch paper rockets!
Parents will get information about the pack

**First Meeting:**
Thursday, Sept 5, 2019
7:00 to 8:00 PM
St. Patrick’s Church/Parish Center
Parent orientation
Scouts will be doing a fun activity

Questions? Contact our Cubmaster: Rob Stanford (937) 824-1904

Class Reunion

September 22, 2019 at 1:00 p.m. luncheon at the Lostcreek Memory Barn

Contact Diana at 937-875-1004 for more details or email at pvore@aol.com
FALL...FRENZY.
The 3rd Annual MEEL PTO FALL FRENZY will take place Friday, September 13th from 5:00-6:30 PM on the elementary playground. This family event is full of fun for all elementary students offering GAMES, CRAFTS, an inflatable OBSTACLE COURSE, FOOD, GIVEWAYS, SILENT AUCTIONS and more for students and families followed by FREE TICKETS for all MEEL students (ONLY) in attendance to the evening’s home football game! MEEL students even get to "RUN THE FIELD" at the conclusion of the game. This is an AMAZING event that helps create school spirit and fosters community pride.

We hope to see you there!
Junior High - Girls in grades 6th through 8th
The Heart and Sole program is designed to meet the unique needs of girls in grades 6th-8th. The program looks at the whole girl; body, brain, heart, spirit and social connections in a positive structures space. This gives girls the opportunity to learn about themselves, explore new ideas, cultivate empathy and to strengthen connections. While this program does incorporate running it is so much more. The program is designed to teach life skills such as team building, standing up for themselves, decision making and creating a support system. As the girls progress through the 10 weeks they work on preparing themselves mentally and physically to participate in a celebratory 5k on Sunday, November 17th at Welcome Stadium in Dayton.

Practices: Monday and Wednesday (Program requires a minimum of 8 girls)
Practices begin: Monday, September 9, 2019
Time: 2:45 to 4:15
Location: School and Track

Register online at www.gotrdayton.org BEFORE SEPTEMBER 1 (No late Registrations will be accepted)

Questions Contact: Renee Woodward rwoodward@miamieast.k12.oh.us or text 937-214-2338

Elementary - Girls on the Run
The Girls on the Run (GOTR) program encourages girls to recognize their individual strengths and to make and celebrate connections with others. The girls learn about teamwork, healthy relationships, contributing in their community, and how to make a positive impact on the world. Running is interwoven into this program through the use of fun activities and games that encourage the girls to think and make choices. During these activities the girls are learning how to treat others, practicing gratitude, and learning about emotions. As the girls progress through the 10 weeks they work on preparing themselves mentally and physically to participate in a celebratory 5k on Sunday, November 17th at Welcome Stadium in Dayton.

Practices: Monday and Wednesday
Practices begin: Monday, September 9, 2019

**Thank you to our sponsors!**

[Minster Bank]
[FFA]
[TROY SPORTS CENTER]
The National FFA Organization recently announced the results of the National FFA Evaluations. Miami East-MVCTC FFA Chapter was selected as a 3-Star National Chapter for the National FFA Chapter Award Program. A 3-star is the highest award a chapter can be recognized for in the National Chapter process. In order to be considered for such an honor, the Miami East-MVCTC FFA Chapter had to place in the top 10% in the state of Ohio. In May, the chapter learned that they were in the Top 10 in the state and would have their application forwarded to national evaluations.

This is the 19th straight year that the Miami East-MVCTC FFA Chapter will be recognized at the National FFA Convention in their National Chapter Award program. Two students will receive the plaque on stage during the National FFA Convention, October 31 in Indianapolis, Indiana.

The National FFA Chapter Award program recognized FFA chapters for developing and conducting a detailed Program of Activities (POA). These activities and projects provide opportunities for members to achieve in the areas of student, chapter, or community development. Every year, chapters are recognized as having earned a one-, two-, or three-star rating on their National Chapter application.

Kylie Blair will compete and be recognized for being a National Proficiency Finalists. She has placed in the Top 4 in the nation in the area of Agricultural Sales - Placement. Blair has had job placement at Family Farm and Home in Piqua where she provided customer assistance and provided assistance with operating the agricultural business. She will interview for the title of National Proficiency Winner on October 31. She will earn a cash prize, plaque and recognition on the main stage at convention on November 1.

Carly Gump, Dylan Hahn, and Alex Isbrandt will receive the American FFA Degree on Saturday, November 2. This is an honor that over 4,000 FFA members across the country will accomplish. Their applications were forwarded to the National FFA because they have been a successful leader, been involved in various community service activities, earned at least $10,000 from their Supervised Agricultural Experience program, and been an active member of the FFA.
Additionally, the Miami East-MVCTC FFA Chapter is guided by strong leadership provided by the 2019-20 officer team. The team met over the summer in a Summer Officer Retreat to plan for the upcoming school year and FFA activities. The officers are: Ethin Bendickson, President; Lauren Wright, Vice President; Kearsten Kirby, Secretary; Michael Bair, Treasurer; Emma Sutherly, Reporter; Adam Bensman, Sentinel; Carter Gilbert, Student Advisor; and Samuel Sutherly, Chaplain. Their advisor is Marie Carity. The Miami East Ag Ed Program is a satellite program of the Miami Valley Career Technology Center.

Five-Year Renewal of Permanent Improvement Levy

Like homeowners with unforeseeable emergencies such as automobile repairs or heating malfunctions, the Miami East Local School District prides itself in maintaining buildings and upgrading equipment both expected and unexpected.

On November 5th the Miami East Local School District Board of Education has placed a permanent improvement renewal levy request on the ballot for maintenance and capital improvements projects. The levy is to renew the current levy and is not a new or additional tax.

Funds from this zero tax increase renewal levy are earmarked for projects such as upkeep of boilers, floors, plumbing, computer purchases, security equipment, bus purchases, and parking lot resurfaces. Like any property owner, dollars are needed to maintain facilities and the permanent improvement fund is the district’s set-aside reserve for maintenance expenses.

Look how thrifty these Vikings are. They are excited saving money. New..... $20 dollar student pass...this gets students into 10 home games ....that’s only 2 dollars per event!! Student passes can be purchased in either the high school or junior high offices.
**PRINCESS FOR A DAY**

Benefit for the March of Dimes  
Sponsored by Miami East HS’s FFA and Pride In M.E.

Saturday, September 28th

Yankee Candle Sales

We are kicking off our annual Music Department Yankee Candle Sales. The sale runs from August 27 to September 10. Online sales will continue through January 8 in time for the Holidays. Yankee Candle offers a 40% profit that supports our music department.

The group number for Miami East Junior High is 990045225 and the group number for the high school is 990043119. Group numbers must be entered in order to shop and receive credit and profit. Customers may enter either number when ordering on Yankeecandlefundraising.com

Miami County Park District Grants

The Miami East Elementary would like to thank the Miami County Park District for their generous grant donations to the Elementary for the 2019-2020 Environmental Education Grants! The Miami County Park District has awarded the Elementary over $1,748 in Environmental Grants for the upcoming school year!
Volunteering

You are always WELCOME to volunteer in the Miami East School District. Our school programs have been successful over the years because so many parents and friends are willing to share their time and talents with all of us. We can always use your talents to give mini-courses, to help a teacher or a student, to substitute for a lunch/playground monitor, or chaperone a field trip. If you or anyone you know has the time to offer - please call any of the schools in the district.

Volunteers are always welcomed and needed in all three schools in the district. Parents and community members are encouraged to volunteer and make a difference in a student’s life that will have a lasting effect!

Beginning during the 2018-2019 school year the District utilized a new set of procedures to approve volunteers. Miami East has contracted with the Background Investigation Bureau (BIB) company. The BIB has been in existence over 25 years, conducting third party background checks for School Districts and companies across the country. BIB has developed Secure Volunteer, a web based application, to review applicants who wish to volunteer. Individuals follow specific instructions, online, for signing releases or authorizations, entering personal information and submitting payment. All data entry is handled by the volunteer applicant and automatically submitted to BIB for controlled processing.

Contact your building principal and discuss areas you would like to volunteer. The principal will share the volunteer paper application and forward it onto Dr. Todd Rappold at the Board of Education Office to approve the processing of the applicant’s online application. The District appreciates the time and effort of our volunteers and will cover the cost of the check for our volunteers.
MIAMI EAST LOCAL SCHOOLS

Updated Online Payment System for School Meals
www.K12PaymentCenter.com

If you have a www.K12PaymentCenter.com account, simply login with your current username and password. If you are new, register today!

Our online payment system is a secure, easy and convenient way to apply funds directly to your student’s account.

Benefits of a Basic Account
- Quick and easy payment system for your student’s meals
- Deposit to multiple students’ accounts with one single payment
- Recurring payments can be set for monthly or weekly deposits
- Step-by-step registration is easy and account management is simple and intuitive
- Secure payment processing
- Your information is confidential – we do not sell your information to anyone!
- Access online payments on [facebook]
- $1.95 fee per transaction for school meal payments

Additional benefits of a Premium Account
- See your student’s meal account balance any time
- Automated notifications via email and text when your student’s meal account balance falls below an amount you determine
- See 120 days of meals purchased and payments made, so you know exactly when your money is being spent
- $10 lifetime membership fee, which includes all of the students in your family

Begin Managing Your Account Online Today!
To learn more visit www.K12PaymentCenter.com. Remember, if you already had an account, simply log in with your current username and password. To register for a new account, you will need your student’s district student ID#. If you do not have this number you may obtain it from your student’s school.
Miami East Financial Aid Night

Plan now to attend the Miami East Financial Aid Night on October 8th at 6:00PM in the High School Lecture Hall.

The presenter will be Maribeth Yoder, Enrollment Services Advisor at Wright State University. She will present on the ins and outs of the FAFSA. After her presentation, computers will be available, and she will be able to help anyone who may to do their FAFSA that night. Please call 335 7070 ext. 3009 if you have questions. We hope to see everyone October 8th!

Miami East is proud to announce the 5th Annual College Planning Night, to be held Wednesday September 18th at 6:00 P.M. in the high school lecture hall. The Guest speaker will be Van Wright, Assistant to the Vice President for Strategic Enrollment Planning, from Bowling Green State University. He will discuss the do’s and don’ts of finding the college for you. Please make plans to attend this very informative evening. Call 335-7070 ext. 3009 if you have questions.

Student Athletic Passes

Hey students and @bluecrewmehs: You can purchase punch passes good for 10 admissions to any home HS or JH sporting event for just $20. Passes will go on sale Aug. 7 in the athletic office at MEHS.
2019-2020 Immunization Information

Attention all current 6th and 11th graders:

Incoming 7th graders for the 2019-2020 school year are reminded that they must show proof of the following immunization before they may enter school. This coming fall, incoming 7th graders will be required to have documentation of 1 dose of Tdap vaccine. In addition, meningococcal vaccine will also be required for the upcoming school year prior to entry to the 7th grade.

Please check with your family physician if you have any questions. Proof of these immunizations may be delivered to the junior high office any time. This will need to be completed before students may enter school for the 2019-2020 school year. Once again, immunization documentation can be turned in beginning this week, through the summer months.

Also, just a reminder incoming seniors also have to document 2 doses of meningococcal.
