

2022-2027  
Miami East Local School District  
Five-Year Facilities Master Plan

3-11-2023

On behalf of the Miami East Local School District, I am pleased to present an updated five-year facilities plan. The plan, which will guide us from 2022-2027, is the result of months of work by our district administration, District Facilities Team, and surveys completed by parents of the Miami East Local School District.

The plan reflects your feedback and the priorities that you identified as necessary to help the district move forward.

As you read through this document, you will find that the plan is all about mutual commitments and expectations for all stakeholders – students, parents, staff and the community.

The plan will provide us with focus and direction for the next five years and position us to make continued progress into the future.

The launch of the plan provides an exciting new chapter for the district.

At the heart of the plan is our mission in which we will create opportunities for all students to be successful, lifelong learners and to develop into respectful and caring citizens, who engage in a positive society.

As we look toward the future, we want to build upon and strengthen our existing facilities. To accomplish this goal, we initiated a planning process in August 2020 to shape our goals and vision.

The plan will be used to guide us in decision-making at both the school and district level. Additionally, it will help drive budget development and resource allocation, help evaluate current programs for effectiveness and select and implement new programs and initiatives that align with our goals and desired outcomes.

Dr. Todd Rappold, Superintendent  
Miami East Local School District

# Miami East Schools

## Academics

Miami East has a long history of academic rigor and success. Our students consistently score well on Ohio Achievement Tests, often better than any other school in Miami County. Our Dual Enrollment and our High School Academic Team is one of many opportunities for Miami East students to pursue academic achievement beyond the classroom.

## Athletics

Vikings teams have had great success and provide our students with team skills as well as strong character and sportsmanship. Our students have the opportunity to learn grow, and perform both in the classroom and on the field, course, diamond, track, mat, or court.

## Activities

Beyond athletics, Miami East students participate in various musical and service groups. Our high school band and choir have competed at the state level, and our FFA groups have won numerous awards and honors.

## Values

At Miami East we value honesty, integrity, kindness, hard work and cooperation. These character traits enable our students to be successful and conscientious members of society.

# Miami East Elementary

## Grades K-5

Our mission is to provide an individually focused and progressive quality education that enables students to be contributing citizens of the local and world communities.

In line with the mission statement of Miami East Elementary, the vision for our school is to optimize student growth and achievement while promoting students to be well-rounded learners who are innovative and critical thinkers, poised to be kind, caring and proactive members of society.

- Response to Intervention Program for all Students
- Musical performances, Band Concerts, and Plays
- Increased Access to Technology
- Code Club
- Lego Club
- STEM Club
- Grandparents Lunch
- Spelling Bee
- Scholastic Book Fairs
- Clean, bright facility
- Parent-Teacher Organization
- Viking Pride Reward Program

Through these and other programs and opportunities, students and parents are active partners in education. Miami East Elementary is truly a learning community!

# Miami East Junior High

## Grades 6-8

Miami East Junior High School has a strong reputation for academic success. Our students have consistently shown remarkable growth on the state assessments and have received an A on the value-added section of the state report card in each year that the state has assigned letter grades to that measure. At Miami East Junior High, students live up to high expectations set for them by teachers, parents, coaches, and other community members. Our students achieve success in many ways:

- Successful athletic teams
- V.O.I.C.E – MEJH Student Newspaper
- National Junior Honor Society
- Honor Choir
- Spelling and Geography Bees
- Students of the Month Program
- Musical performances and Band Concerts

- Artist of the Month Program
- Outdoor Ed. Field Trips
- Use of technology in teaching and learning
- Blue and White Ticket Reward Program

Parents at the junior high are also actively involved through both the Parent Advisory Council and through volunteerism.

## **Miami East High School**

### **Grades 9-12**

Miami East High School continues the tradition of excellence and success. Students at Miami East High School are preparing to enter the world beyond our classrooms, and are prepared to be successful in many areas, including:

- National Honor Society
- Award winning FFA and agricultural education programs
- Academic Team
- College Credit Plus
- Joint Vocational School
- Career Technological Center
- Marching, Concert, and Jazz Bands
- Mixed Choir and Women's Ensemble
- Above average ACT scores
- Successful athletic teams
- Student Council
- Booster organizations: Athletic Boosters and Music Boosters
- Academic Team Competition

Students leave Miami East High School very well prepared to be successful citizens and life-long learners.

In December of 2021 the District surveyed parents across the District for Facility Responses.

# Building, Grounds, and Facilities Survey

## 12/22-2021

Miami East Local Schools  
 Building, Grounds and Facilities Parent Survey  
 Read date: 12/22/2021 247 responses

MOST IMPORTANT: What item below would be your top choice?  
 247 responses

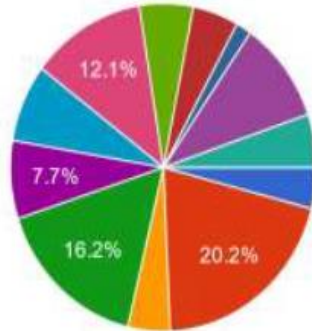

A. Additional Elementary Classrooms	60

# Goals and Purpose of the 2022-2027 Facilities Master Plan

There are the established goals for the Facility Master Plan document:

- To provide a road map for future facility work at each campus as funds are available
- To align the facilities across the District with the District's educational goals
- To provide a master plan of each campus illustrating the proposed projects
- To provide an analysis of funding options
- To provide a proposed strategy for implementing the projects
- To identify and resolve deferred maintenance items and provide an ongoing maintenance plan for the future

<b>2021-2022</b>	Construction of four additional Elementary Classrooms Replaced 240 Chrome Books
<b>2022-2023</b>	Construction of four additional Junior High Classrooms Soliciting Grants for Elementary Playground Adding Ten additional paved handicapped parking in Little League Parking Lot Replacing carpet in 20 elementary classrooms Replacing 240 Chrome Books Exploring Shelter area near soccer practice fields
<b>2023-2024</b>	Stadium Field Turf Project Replacing carpet in 10 elementary classrooms/10 junior high classrooms Replacing 240 Chrome Books
<b>2024-2025</b>	Replace the Elementary/Junior High Chiller Tower Replacing 240 Chrome Books
<b>2025-2026</b>	Athletic Fieldhouse – based on funding options Replacing 240 Chrome Books
<b>2026-2027</b>	Replacing 240 Chrome Books
