# KEEP IN TOUCH

## How can I check my grades?

Students and parents are expected to keep track of grades and assignments on Progressbook. If you don't have an account or can't remember your log-in information, contact the school counselor, Mrs. Dillon ([ddillon@miamieast.k12.oh.us](mailto:ddillon@miamieast.k12.oh.us)).

## What about tests?

- Students will take chapter tests on an online program called ALEKS. They will have 3 attempts with a goal of at least 80% mastery.

## ALEKS

To fill gaps and increase retention, students will be completing online assignments on a math program called ALEKS. These assignments are due every other Thursday. These assignments will be worth 20 points. More information will come as students begin the program.
